

Hello Torrey Piners Farmers' Volunteers,

Yes, it is getting around that time again: sign-up for the PGA Farmers' Tournament for 2015 at Torrey Pines. The information below was sent to me by Erica Monzon, Member and Tournament Service Manager for the Farmers' Open. Time is of the essence because the popular committees fill up early. Please do not forget about the Bunker Buddies, which is a committee that should get the TPMGC's full support. If you have any questions about getting involved in the Farmers' Open, please contact Peter Born bornsd@san.rr.com, Brian Cincotta bcinotta@tpmgc.org, or Bill Riordan briordan@tpmgc.org and we will help you in your decision of which committee to join.
