

TORREY PINES MENS GOLF CLUB NEW MEMBER INFORMATION

Thank you for your interest in joining our club. Our club is only open to SD County residents. However, please be aware that, **effective January 1, 2019, ALL MEMBERS (BOTH CITY AND COUNTY) MUST HAVE A VALID AND CURRENT CITY RESIDENT CARD TO GET THE DISCOUNTED RATES AT TORREY PINES GC AND BALBOA GC.** This is a new City of San Diego requirement...no exceptions. If you do not have a card, you can go to the Torrey Pines Administration location at the course, be sure to review the City's residency verification requirements and be prepared to provide same. Cost for a card valid for 1 year is \$25.

Please follow the steps to apply for membership:

- Click (or copy and paste to your browser) the following link - <http://membership.scga.org/start/join/?id=108>
- Choose yes if you have ever had a GHIN number;
- Enter your SCGA/GHIN membership number, click continue and confirm that the golfer displayed is you; or Enter your First and Last Name and pick yourself from the list by clicking on the appropriate radio button;
- ***Complete the information requested for your profile; including the "preferred phone #"; choose the continue button;***
- This will take you to the checkout page. Enter relevant credit card related information to pay your new member fee of \$250. **If the address for your credit card is the same as the address you just confirmed in your member profile, just check the billing information same as member information box;**
- Farther down on the screen click on the box saying that you are not a robot AND then choose the "Pay for My Membership" button. Ignore the "Promo Box"; not applicable to our club.

NOTE: ***we strongly encourage you to check the Auto-renew box in the middle of the page*** to facilitate auto-renewal of your TPMGC membership each year

Look for a confirmation of payment on the screen; in the next few days you should then receive a notice from the Club Membership Chairman formally acknowledging payment and FINAL approval of membership in TPMGC and the SCGA.
