

View Anniversary Date (Membership End Date)

After member login, to view membership anniversary date, select **1** MY ACCOUNT located on the member task bar. After MY ACCOUNT information is displayed, select **2** MY INFO to view membership **3** Anniversary Date and other membership-related information. The Anniversary date is the Month/Day/Year your membership will expire unless you renew your membership (this date is also referred to as membership “renewal date” or “subscription end date”).

If you have selected auto-renewal when you initially applied for membership, or selected auto-renewal during your annual payment of your renewal fee, then your membership will be automatically renewed by SCGA by charging the credit card they have on file for you. If your credit card expiration date is no longer valid then SCGA will notify you to update your credit card information weeks before your membership expiration date.

Members who have not selected auto-renewal may do so during the renewal process. This is the only time during the year that auto-renewal may be selected. Members not on auto-renewal will receive SCGA email notifications 60, 30, 7, and 1 day before their Anniversary Date (membership end date).

It is common that members do not receive SCGA emails due to problems with their personal email service rejecting them or sending them automatically to their email spam folder. If are not on auto-renew and do not receive SCGA renewal notification emails you should visit the SCGA portal to check if manual renewal is required. The SCGA website address to perform this check and manually renew your membership is <https://membership.scga.org/start/join/?id=108>.

Members: please note that if your current membership expires, you will be required to “rejoin” the club at the new-member rate. (see our website Membership page: <https://tpmgc.org/about-the-club/membership/>). Our club no longer supports a discounted late renewal fee.

If your membership is currently set to auto-renewal and you do not wish to renew your membership, contact our club membership chairman (Ed Carter: EdCarter4golf@gmail.com).
