Larry Prosi's

PRESIDENT'S LETTER

September 2022

Hi all, Some important club updates for you...

- Reminder that today, September 1st is the first day of the new award program with the Torrey Pines Pro Shop. All winnings (except Skins) from an event at Torrey Pines only, will be credited at the TP Pro Shop for your use. All funds already in your TPMGC Club website account are still available, only NEW winnings get transferred to the pro shop. Funds can be used for any soft goods purchased including the new TPMGC shirts and hats. Also golf carts (\$32 discounted rate anytime, not just tournament days!) and driving range. You must have funds in your TP Pro Shop account to qualify for the \$32 discounted cart on non-tournament days...you can do a transfer from your TPMGC Club website account if you don't have sufficient funds in the pro shop account. Questions contact any Board member.
- Your Board is well aware that our most serious issue when playing at Torrey Pines GC has been slow play, specifically impacted by the two public groups inserted into our tournament play. Your Board has gotten numerous complaints from members, and as a result, we have made a significant change starting January 2023 in our tournament play at TP. The majority of our weekday events only, will now be spread over 2 days – Wednesday and Thursday starting at 7 am. We will have uninterrupted tee times (no public play inserted) for 2 ½ hours of consecutive play. Both days will be considered one tournament, just spread over two days.

Note: *weekend tournaments remain unchanged, we will continue to have public play inserted. More information on this change in coming weeks.*

- We know many of you volunteer regularly at various golf oriented organizations designed to “grow the game of golf” in SD County. We need your help to identify and create a listing of our Club’s volunteer efforts. Specifically, can you please let me know if you currently volunteer or donate to any of the following organizations - SD Parks Foundation/Play Golf Program, SCGA Junior Golf, Pro Kids/First Tee or any other similar golf programs? Also, please let me know if you will be volunteering for the Farmers Insurance Open in 2023. Just send an email to lprosi@san.rr.com with your information.
- Board elections are coming up in November. There will be 7 seats up for election. More information to follow, but if you are interested in running and want more information please contact me in the interim... lprosi@san.rr.com

Thank you on behalf of our entire Board for your support...any questions let me know.

Hit ‘em straight! Larry Prosi
