

From the 19th Hole

Larry Prosi's

PRESIDENT'S LETTER

October 2022

Welcome to All Torrey Pines Men's Club members!
Here are some Club updates...

- I'm pleased to announce that your **Board has approved, and I have executed, our Special Use Permit (SUP) with the City.** This entitles us to play our men's club events both on weekdays and weekends thru 2024! We fully expect that a new SUP will be agreed upon beyond 2024.
- We have finalized our tournament schedule through 2023. You can look forward to playing Torrey plus many fine away courses throughout the county next year. Many different formats as well.
- **Our 2023 Board elections are upon us.** There are 11 members running for the 7 open Board spots up for election this year. Look for your ballot, and be sure to vote, in the next few days. **Ballots must be returned by this year's annual meeting on November 15th.**
- The annual meeting will be a zoom. Everyone is encouraged to not only vote but attend the annual meeting to get updates on the Club and have your questions answered. More information to follow.
- **Thanks to Bob Hood, the club now has its own logo hats and shirts!** Just go into the TP Pro Shop and ask to see the TPMGC apparel for purchase. You can use your prize funds to pay for your purchase too. There is also a link on the website.
- Don't forget winnings for tournaments played at Torrey go into your account at the Pro Shop. Winnings for away events, and from skins at TP, continue to go into your Club account.
- Please note the **Club does not track your account balances at the pro shop.**

- On your behalf, our Club each year donates to various golf related charities – this year we are supporting Pro Kids (\$3500); and SCGA Junior golf (\$3500). Next year we will be designating our donation to the Play Golf youth program sponsored by the City. We are proud to be supporting such worthwhile youth oriented golf organizations!
- Thanks to all of you that submitted your Volunteer efforts in the County, Your time commitment and financial support is sincerely appreciated. Next year we will be asking you to again volunteer for some specific City programs. More information to follow by year end.

Thank you to all our members for your support of our very busy volunteer Board...any questions, please let me know. Stay healthy and “see you” on November 15th at the annual meeting! Larry

Congratulations to our Major tournament winners and Hole-in-One - lucky guys this year!
