PRESIDENT'S LETTER

September 2023

As we head into the fall, I thought it's time to mention some reminders regarding our various policies plus other updates. But first huge news:

Congratulations to our newly crowned Club Champions!

Nik Neal - Club Champion

Tony Avarello - Senior Club Champion (gross)

Jeff Morris - Senior Club Champ (net)

John Hoffman - Super Senior Champion (gross and net)

Your Board continues to get many questions regarding our Cancellation Policy, Pace-of-Play Policy, and "where did my winnings go?" amongst many others. So the following is a brief recap. A more extensive policy description is available on our website.

- **Pace-of-Play Policy** – simply put, your group must finish within 15 minutes of the group you are following. Golf Genius is the final determinant of this "gap". Penalties are assessed if the gap is greater than 15 minutes. The secondary POP criteria is total elapsed time to play. Check the website for more detail on this policy.
- **"Where's my Money?"** – for all home tournaments played at Torrey Pines, your winnings are credited and must be spent at the TP Pro Shop. You must go into the pro shop to find out how much you have on the books. We strongly urge you to keep your own records in case of discrepancy. For all club away events, your winnings are added to your website Member Account balance. You may use these funds for a vendor/gift certificate or to buy club-logo gear from the TP Pro Shop – select these options from the MY ACCOUNT pulldown menu after website login. If you have any questions contact Steve Shushan, smsushan@sbcglobal.net.

- Member contact info – is available on our website Member Roster. However, to enable other members to view your phone number and email address you must select the “share my contact information with other members” box in MY ACCOUNT/EDIT INFO.
- Late Cancel/No Show Policy including inclement weather – Please read the “late cancel and no-show policy” on the website. Also, the inclement weather policy. Simply put – *all tournament play is “on” unless you’re notified the morning of the event by 6 am.* We adhere to these policies and no excuses are accepted. It is the member’s responsibility to know these rules.
- Speaking of Rules - check the website for “Rules Members Need to Know”
